Pacific Union opens Dallas office, to hire 250 employees

Irving-based Pacific Union Financial has expanded its North Texas operations and plans to hire up to 250 employees.

Irving-based Pacific Union Financial LLC, a national mortgage banker and servicer, plans to open a new Dallas office, which could accommodate up to 250 new employees.

The company signed a lease for 59,000 square feet of office space at Browning Place II at 1603 LBJ Frwy in Dallas for its new North Texas office. Pacific Union also has offices in California, Arizona and Virginia.

Last September, Pacific Union signed a lease for 49,000 square feet of space for its corporate headquarters at 8900 Freeport Pkwy in Irving.

Jones Lang LaSalle's Steve Thelen and Conor McCarthy represented the tenant in the firm's recently signed deal. Transwestern's Duane Henley represented the landlord, Regis Realty Prime LLC.

Pacific Union plans to hire employees to support the company's growing loan servicing and origination business. Pacific Union was not immediately available to comment, but stay tuned for details.
