Thanks!

To Brandi and all who participated at Pillar Income,

On behalf of the women and children of Genesis Women's Shelter & Support, thank you for your **incredible** donation this holiday season. This year, we were able to provide Christmas for over 300 families, thanks to the **kindness** and **generosity** we received from people like you.

We are so honored that you choose to give to Genesis. Each woman that comes to our shelter leaves behind everything in order to find safety. So many moms make that **brave** decision with their heads, but their heart too often gets caught up in the emotion of the decision—will I leave behind my child's favorite things? Will we ever recover the things that mean so much to us? Will my child resent me for this decision?

Because of you, each mother in our program was able to ensure her children that Santa will find them at the shelter. This season, children woke up with smiles on their faces and presents under the tree, and these special families were able to create Christmas memories that will last a lifetime.

Through your donation, the staff at Genesis Women's Shelter & Support is able to show each woman and child that they are safe, that they matter, and that once again the holidays can be about PEACE and JOY.

Sincerely,

Murphey Sears
Assistant Director of Outreach
